

A faded, high-contrast black and white portrait of Tomislav Mikulić serves as the background for the entire page. The image is split vertically by a thin white line, with the left half showing the left side of his face and the right half showing the right side. His eyes are looking directly at the camera.

Tomislav Mikulić

DRAWINGS AND PRINTS
1972 - 1977

Compilation of the artist's work
done during his enrollment in the five year course of traditional graphics at the
Academy of Fine Arts in Zagreb, Croatia.
